

Cost Containment Firm Engages International Medical Products Manufacturer

By Max Friar

Dated: Feb 21, 2009

Alliance Cost Containment of Grand Rapids, MI

Grand Rapid's Alliance Cost Containment consultants are pleased to announce the engagement of an established equipment & medical products manufacturer with an international footprint. With multiple facilities in the Midwest USA, Europe & Asia, the decades established company is recognized for its innovative & diverse manufacturing capabilities in the equipment and medical products industries. The company employs nearly 300 personnel and manufactures a variety of patented end-products utilized worldwide.

The Company has requested that Alliance apply its proven cost-savings method to freight, MRO, office supplies, temporary staffing, technology supplies, utilities, fasteners, pallets, packaging supplies, safety supplies, & waste disposal services.

Alliance Cost Containment is pleased to provide its contingency-based solutions to assist the Company in significantly reducing costs related to indirect procurement. Based on past experiences with similar companies, Alliance Cost Containment is confident that it will be able to generate significant savings.

###

Alliance Cost Containment is the perfect expense reduction partner for manufacturing, distribution, construction, institutional, governmental and non-profit companies/organizations that are seeking proven cost saving ideas and techniques, desire to grow their bottom line and improve business value. With over 40 offices spanning North America, ACC's purchasing aggregation and vendor-management processes provide small and mid-sized business access to the kind of large corporate purchasing power they are often unable to capture on their own. ACC also facilitates detailed vendor management and reporting processes to make sure our clients capture the savings that we help generate.
