Dated: Mar 27, 2009

Alliance Cost Containment will assist the client in reducing expenses associated with non-strategic items and services such as MRO, office supplies, freight, temporary staff, pallets, utilities and telecommunications.

Grand Rapid's Alliance Cost Containment expense reduction consultants are pleased to announce the engagement of an established Midwest-based manufacturer of packaging solutions for industrial & commercial customers worldwide. With offices in the US, Latin America & Asia, the company has manufactured custom & proprietary packaging products for over 50 years.

The Company has requested that Alliance apply its proven expense-reduction methodology to electronic supplies, express mail, fasteners, freight, industrial supplies, MRO, office supplies, packaging supplies, pallets, safety supplies, telecommunications, temporary staffing, utilities & waste management.

Alliance Cost Containment is pleased to provide its contingency-based solutions to assist the Company in significantly reducing costs related to indirect procurement. Based on past experiences with similar companies, Alliance Cost Containment is confident that it will be able to generate significant savings for its established client.
